

How the system works...

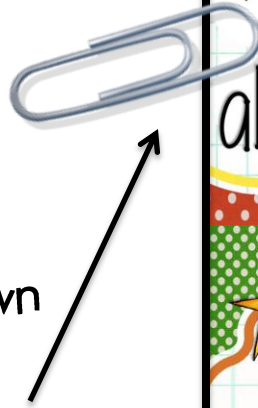

Your choice for
Daily 5 Rotations

Students will blindly draw a bookmark out of a container. The first bookmark they touch is the one they **MUST DO**.

This bookmark tells the student the order in which they will do the Daily 5 for this week.

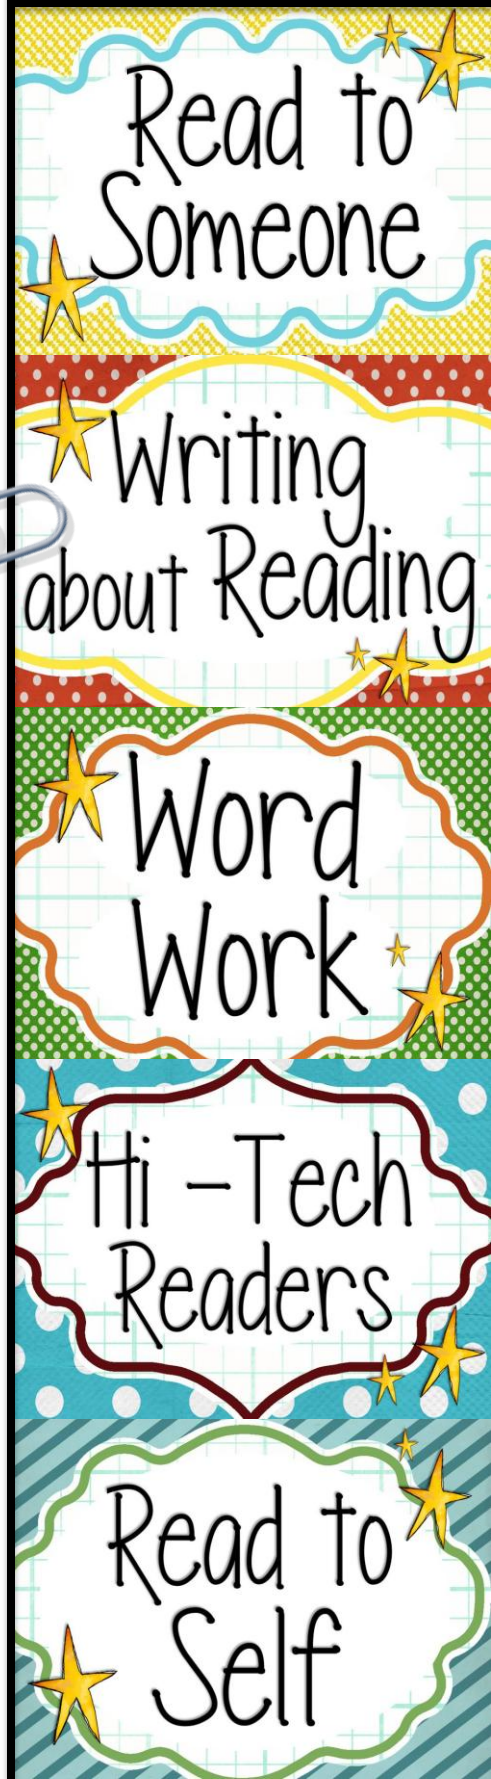

To ensure that students remember what station was completed last, a paperclip will be placed to slide down the side of the bookmark.

There are only 6 bookmarks for each station to adequately disperse students.

Use durable laminating film sleeves so the bookmarks will last the entire school year.

Bookmarks are collected on Fridays once the reading block is completed.
